Shelter Bay – Legal Services

We would be most pleased to assist purchasers at Shelter Bay. We assisted the developer with obtaining the headlease but they will use their usual lawyer out of Chilliwack to represent them on sales.

We have particular experience in First Nation conveyancing and land development and the writer has been spotlighted in National Lawyer Magazine for accomplishments in this regard.

Should you choose to have us represent you we will assure proper registration and completion of your transaction.

You can get more information about our firm at our website at www.porrelli.ca. In my over 35 years of real estate practice, we have been involved in and supervised well over 40,000 real estate transactions and you will be capably served at Porrelli Law.

For further information, or any legal questions you may have, do not hesitate to contact us. We are available for a brief telephone consultation.

Yours truly,

PORRELLI LAW
